

# BODY IMAGE EXPO

## STUDENT COMPETITION

The Australian Education Union is running an Expo on Body Image on 7 and 8 May 2010 in Hobart.

The Expo will feature displays from a range of organisations aimed at providing practical information, resources and advice to both primary and secondary students, parents and educators on the topic of Body Image.

We will also be celebrating different body types and promoting a healthy mind, body and soul in a fun environment.

### Your Challenge!

#### 1. Poster

Design a poster which promotes the Expo with a positive message about Body Image. There will be a prize for the winning student(s) and workplace.

#### 2. Expo Slogan

Think up a great slogan to promote the Expo. The winning entry will be used on all communications to promote this event. There will be a prize for the winning entry.

#### 3. Artistic Expression

We would like to have students integrally involved in the Expo. This might be through dance, music, information technology, singing, drama, poetry, etc.

If you or your colleagues have any other student work which links to the theme of Body Image and could be performed during the Expo, let us know. Gifts will be provided to students who participate in the Expo.

### Who to Contact?
