

## Supporting pregnant teens & young parents

*A symposium convened by the Association of Women Educators*

August 4 and 5, 2009 - Brisbane Convention Centre

A unique networking opportunity for state and federal government departments (education, health, communities, child safety, Aboriginal & Torres Strait Islander policy, women's policy) as well as community agencies and organisations, youth programs, and schools conducting support programs for pregnant and parenting students.

- ▣ The experiences of diverse groups of pregnant & parenting teenagers.
- ▣ Sharing models of support
- ▣ What works well?
- ▣ Identifying gaps in service delivery.
